# Drapery Shades

Drapery Sheer Shades takes elegant and soft sheer to create an elegant and graceful effect. It is an ideal replacement for traditional curtains. Just open the Shades gently to enjoy the picturesque scenery outside

A variety of patterns and colors, fully enrich your imagination.

It provide the delicate appearance, excellent straightness of fabrics and can protect the privacy.

A perfect combination of sheer and fabric, not only provide the shading effect of fabric, but also has the perspective of sheer, It also integrates the adjusting function of the venetian blinds, simple operation while luxurious appearance, solves complex problems in a simple way.

## Product Characteristic

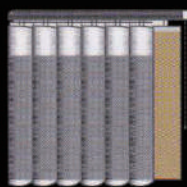

- ✦ Patented operating system that rotated to open and close, providing a high privacy for home and softening the lights into the room; The fabric can be completely hang naturally without additional weight increment device
- ✦ Colors of fabrics can be mixed to meet different personalized needs;
- ✦ Unique design of blades, gently turning the blades can adjust the light into the room and the need of privacy.
- ✦ Sheer valance design has excellent sound-absorbing performance, which can improve reverberation in different environments.
- ✦ Easy to maintain and clean, the blades can be removed separately, just need to clean stained blades, convenient and time-saving; If there is a damaged blades in the process of use, just replace the damaged part, so you can free from worry and save effort to have a delicate life.
